SUBCASE 00-92095

ADJUDICATION OF DEFERRED DE MINIMIS DOMESTIC AND STOCKWATER CLAIMS

- Pursuant to Judge Wildman’s January 22, 2024 Stay Order, this subcase is stayed pending resolution of *U.S. v. Idaho* in the US District Court.
- The United States challenged the constitutionality of several statutes enacted by the Idaho Legislature following the Idaho Supreme Court’s decision in *Joyce Livestock Co. v. US*, 156 P.3d 508 (2007).
- *Memorandum Decision and Order* issued by Chief U.S. District Court Judge, David Nye, on August 28, 2024.
 - The Court concluded §§ 42-222 and 42-224 are constitutional as applied to the US and rejected the US’ requests for permanent injunctions under those statutes.
 - The Court granted summary judgment to the US on the following statutes: §§ 42-113(2)(b), 42-502, and 42-504. The Court concluded that the US is entitled to a declaratory judgment that these three statutes violate the Supremacy Clause of the US Constitution. The Court also granted permanent injunction with respect to these three statutes.
- The US District Court issued the Amended Judgment on December 16, 2024 in response to Rule 60(a) Motion.

SRBA SUMMARY AS OF JANUARY 7, 2025

Note: If slides are printed in greyscale, all graphs should be read in clockwise order in relation to their legends.
