Dear Water District 37 water user:

This letter is in coordination with the annual meeting notice provided to you by the Idaho Department of Water Resources. As you are aware, this year has created many challenges and as such we would like to assist our water users with the annual meeting which will be held virtually via Zoom for the 2021 meeting.

To adhere to the Idaho Open Meeting Laws and for your participation, a Zoom link is also provided at the bottom of this letter. Pertinent water district documents can be obtained through the Idaho Department of Water Resources website. District staff will be available at 208-886-2451 for assistance with the link and documents, or you can send an email request for information to:

Kevin Lakey, Watermaster at (208)316-1048 or watermanager@cableone.net
Cyndi McCowan, Office Manager at (208)316-1049 or watermstr@cableone.net

For your convenience, if you do not have Zoom already, you will need to have it installed well before the meeting begins. The Zoom meeting will open beginning at 1:00 pm so that attendees can provide roll call information to the staff who will be conducting the meeting. The call to order will be at 1:30 pm. The forum for the meeting will remain consistent with past meetings, except for the voting. To avoid confusion and hopefully save time, a **nay** vote will be requested first. The **nay** votes will be recorded before moving on to the **yay** votes.

If your organization or entity has more than one person signed into the virtual meeting, please plan ahead of the meeting as to who will be the representative for voting.

For those who do not wish to or cannot participate in a virtual meeting, hard copies of meeting documents can be provided upon request.

Thank you in advance for your help and consideration during this unusual time,

Kevin Lakey, Watermaster
