C.L. "BUTCH" OTTER
Governor

GARY SPACKMAN
Director

March 1, 2013

Dear Water User:

The Idaho Department of Water Resources (Department) intends to initiate steps to extend the administration of surface water rights upstream of Lucky Peak Dam in the Boise River Basin. This would also include all forks and tributary creeks/streams to the river. The Boise River Water District #63 will be charged with the administration and regulation of the basin surface water rights.

The following are factors that have facilitated this action by the Department:

- *The Snake River Basin Adjudication (SRBA) District Court issued an Order of Interim Administration on February 22, 2011. The order directed the Department Director to distribute water in accordance with the water right partial decrees issued by the SRBA Court. Watermasters are to administer, regulate, and enforce water rights in accordance with the partial decrees.*
- *Currently, only the lower portion of the Boise River is administered/ regulated downstream of Lucky Peak Dam by the Boise River Water District #63. Administration and regulation of the entire river and tributaries are needed to protect senior water right holders and minimum stream flows.*
- *Idaho Code §42-607 charges the water district watermaster with the distribution of public waters.*

The Department has scheduled public information meetings as follows:

Date:	Tuesday, March 19, 2013	Wednesday, March 27, 2013
Time:	3:00 PM	3:00 PM
Location:	Elks Lodge 325 South 3rd West* Mountain Home, ID	Idaho City Community Building 112 Cottonwood Street Idaho City, ID

The purpose of the meetings will be to inform water users of the requirements of water districts, the anticipated schedule, and to gather feedback. The meetings will be conducted in a facility that meets the accessibility requirements of the Americans with Disabilities Act. Should you require special accommodations in order to attend, participate in, or understand the meeting, please contact IDWR at least five days prior to the meeting.

For further information regarding this meeting, please contact the IDWR Western Regional Office in Boise at 208-334-2190 or the IDWR State Office Water Distribution Section at 208-287-4800. A copy of this notice has been sent to all holders of Boise River and tributary surface water rights upstream of Lucky Peak Dam with the exception of in-stream stock water rights.

*Directions from I-84: Take Exit 95 (Mtn Home Fairfield US 20) and turn west on American Legion Blvd toward city center, turn left on N. Main St/Idaho 51 South, continue to follow Idaho 51 South approx. 2 blocks, turn right on Jackson ST and cross the railroad tracks, turn left on S 3rd W and travel 1 block.
