INSTRUCTIONS

1. The Surety on the bond may be any Surety company licensed in Idaho.
2. If the principal is a corporation the corporate seal must be affixed.
3. If the principals are partners, their individual names shall appear in the body of the bond, with the recital that they are partners composing a firm, naming it.
4. The name of the principal as well as the designation and the number of the well must agree exactly with that shown on the notice of intention to drill or redrill.
5. The exact footage location of the well need not appear in the bond, but only
 - (a) The section, township, and range or
 - (b) Lot block number and the tract number
6. A bond containing a cancellation clause at the option of the Surety is not acceptable.

A supply of this form may be procured from the Idaho Department of Water Resources.
