

Checklist of Items Recommended for Each Deferred *De Minimis* Stockwater Use Claim in the Snake River Basin Adjudication (“SRBA”) if Claiming Water Right on Federal Land

- ___ A completed [Motion for Determination of Deferred *De Minimis* Domestic or Stock Water Use](#).
- ___ A completed [Notice of Claim to a Water Right](#) form (get the claim number from the Idaho Department of Water Resources (“IDWR”).
- ___ Identify the base property.
- ___ A copy of the first, or earliest grazing permit issued on the federal grazing allotment.
 - If the stockwater use on federal land predates the Taylor Grazing Act (June 28, 1934), you must submit evidence of grazing on federal land in support of the claimed priority date.
 - If the stockwater use on federal land first occurred after the Taylor Grazing Act, you must submit evidence of authority to graze stock on federal land—either a copy of the original grazing permit issued on the federal grazing allotment, or, if a copy of the original grazing permit cannot be located, the earliest grazing permit available.
- ___ A copy of the current grazing permit associated with the base property for the place of use claimed.
- ___ A map of the grazing allotment.
- ___ If you are aware of water rights appurtenant to the place of use you are claiming (the grazing allotment) that were decreed to a federal agency in the SRBA, submit a list of the water right numbers for those decreed rights.

Note: One check (maximum \$100.00) made out to IDWR for all of the *de minimis* stockwater-only claims filed by a claimant must be sent with a motion and notice of claim to the SRBA Court. See Idaho Code § 42-1414.
