STATE OF IDAHO DEPARTMENT OF WATER RESOURCES

APPLICATION FOR TRANSFER OF WATER RIGHT - POINT(S) OF DIVERSION

This form may be used to apply to change and/or add points of diversion for existing water rights and to report an ownership change for a water right(s) in connection with the proposed point of diversion change(s). Do not use this form to apply for changes to other elements of a water right. See the <u>Application for Transfer Instructions</u> for help completing this form and for mailing addresses of Department offices where your application can be submitted.

Transfer is for changes pursuant to Idaho Code § 42-221.O.8. Attach an explanation and any supporting documentation.

		If the applicant is not an individual and not registered to do business in the State of Idaho, attach documentation identifying officers authorized to sign for the applicant.										
		If the applicant is not the current water right(s) owner, attach documentation of authority to file the application.										
	d o I	If the application includes a change in ownership of water right(s), attach a copy of the conveyance document, such as a warranty deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property conveyed or description of the water right if no land is conveyed. Additional fee(s) are required for water right ownership changes; see Item 9 for the fee schedule. If the ownership change resulted in the water right(s) being split, how did the division occur? Mark one: The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.										
		The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.
