

Question or Suggestion	Question #	Who	Page	
			Number	Section
List establishing minimum stream flow water rights as significant historical management measures	1	NGOs	1	II
Revise or eliminate term sheets	12	BWLWWUA	4	II
Management Plan Goals: Are they accurately described?	1	BWLWWUA	5	IV
Amend goals of plan to reflect goals water users in the basin	2	Larry Schoen (user)	5	IV
Add a more diverse set of interest to the Management Plan goals	2	NGOs	5	IV
Enforcement options/mechanisms for non-compliant water users	10	BWLWWUA	13	IX
Enforcement options/mechanisms for non-compliant water users	3	NGOs	13	IX
Streamflow targets into Magic Reservoir	4	BWLWWUA		New
Adequate Water Supply for the Big Wood River below Magic	Reserved 2	GGWD and SVGWD		New
Consider reinstating the Water Supply Bank's instream flow enhancement program -- formerly Idaho Code§ 42-1508	6	NGOs		New
Incorporate the <i>Wood River Valley Water Conservation Guidelines and Enforcement</i>	7	NGOs		New
Set monthly schedule for working on Management Plan with goal of completion by November 1	1	Sun Valley Co		New
Consider an "off ramp" for a water user to opt out of the plan (example mitigation for consumptive use)	2	Sun Valley Co		New
Evaluate the Plan's effects on the Big Wood River above and below Magic Reservoir	7	GGWD and SVGWD		New
Reduce baseline management requirements in good water years	4	GGWD and SVGWD	6	V.1
Determine the impacts of GW use by cities, other B37 GW users, and domestic users on flows at Station 10 and Stanton Crossing	6	GGWD and SVGWD	6	V.1
Impact of fallowing acres on stream flows at Station 10 and Stanton Crossing	3	GGWD and SVGWD	6	V.1.a
Establish a mechanism for extending the irrigation season beyond Sept. 15 in wet years.	6	BWLWWUA	7	V.1.B
Impact irrigation season delayed start on flows at Station 10 and Stanton Crossing	1	GGWD and SVGWD	7	V.1.B.1
Impact of early irrigation shutoff on flows at Station 10 and Stanton Crossing	2	GGWD and SVGWD	7	V.1.B.2
Benefits to Water Supply from CIEF Projects	Reserved 3	GGWD and SVGWD	7	V.1.C
Should the CIEF be part of new Plan?	1	Larry Schoen (CIEF)	7	V.1.C
If no CIEF, what about disposition of funds by 12/31/2024	3	Larry Schoen (CIEF)	7	V.1.C
Should CIEF contributions be higher in 2025 than 2022?	2a	Larry Schoen (CIEF)	7	V.1.C
Should CIEF contributions be indexed to inflation?	2b	Larry Schoen (CIEF)	7	V.1.C
Consequences for parties not contributing to CIEF	2c	Larry Schoen (CIEF)	7	V.1.C
Should IWRB still contribute to CIEF?	2d	Larry Schoen (CIEF)	7	V.1.C
CIEF funds administered by WRRCDC amendment	2e	Larry Schoen (CIEF)	8	V.1.C.6
Streamline storage water funding and procurement processes.	2	BWLWWUA	8	V.1.D
Role of CIEF in obtaining Snake River storage water	4	Larry Schoen (CIEF)	8	V.1.D
Increase stream flow target at Station 10	3	BWLWWUA	9	V.1.E
Adequate Water Supply for the Little Wood River	Reserved 1	GGWD and SVGWD	9	V.1.E
Increase in Station 10 stream flow target to accommodate other senior surface rights	1	Larry Schoen (user)	9	V.1.E
Establish additional stream flow targets on Little Wood/Silver Creek, Big Wood, Willow Creek, and Camas Creek	4	NGOs	9	V.1.E
In-season adjustment of consumptive reductions.	5	BWLWWUA	11	V.2.A
Determine if buying additional storage water is needed in very dry and extremely dry years	5	GGWD and SVGWD	10	V.2.B
Role of CIEF in obtaining Snake River storage water in additional management section	5	Larry Schoen (CIEF)	11	V.2.B.2
Extend plan for ten to fifteen years	1	WD37B GW Association	12	VI
Direct CIEF funds to study options for addressing Silver Creek losses at Highway 93	9	GGWD and SVGWD	12	VII
Apply the results of the Camas Prairie Aquifer Study to the Management Plan after March 2027	7	BWLWWUA	12	VIII
Accommodate new or updated model(s)	8	BWLWWUA	12	VIII
Update the Other Actions to reflect which are accomplished and which are pending or ongoing	11	BWLWWUA	12	VIII
Evaluate impacts of Camas Prairie GW users on inflows to Magic Reservoir	8	GGWD and SVGWD	12	VIII
Incentivize non-participant ground water users to participate in the plan	9	BWLWWUA	13	X
Add formal statements requiring the Advisory Committee and the Technical Working Group to meet annually	5	NGOs	13	XI
