Re: Order Approving Ground Water Management Plan - Big Wood River Ground Water Management Area

The purpose of this letter is to notify you that on May 4, 2022, the Director of the Idaho Department of Water Resources (“IDWR”) signed an *Order Approving Ground Water Management Plan, In the Matter of Management of Ground Water Within the Big Wood River Ground Water Management Area* (“Order”).

A copy of the Order, the Final Big Wood River Ground Water Management Area Management Plan, and a Certificate of Service for mailing of this notice can be found on IDWR’s website at: <https://idwr.idaho.gov/> (go to Quick Links → Big Wood Ground Water Management Area Advisory Committee → Documents & Resources → BWRGWMA Final Management Plan – April 29, 2022) or <https://idwr.idaho.gov/water-rights/groundwater-management-areas/big-wood-ground-advisory-committee/>

A copy of this notice has been sent to all holders of groundwater and surface water rights that are administered by Water District 37 (Big and Little Wood River basin, including Silver Creek) and Water District 37B (Camas Creek basin).

Any person who is aggrieved by the Order shall be entitled to a hearing before the Director to contest the Order. The person shall file with the Director, within fifteen (15) days after receipt of written notice of the order, or receipt of actual notice, a written petition stating the grounds for contesting the Order and requesting a hearing. *See* Idaho Code § 42-1701A(3).

Questions regarding this matter may be directed to Tim Luke, IDWR at (208) 287-4959 or by email at tim.luke@idwr.idaho.gov.

Sincerely,

A handwritten signature in black ink that reads "Tim Luke".

Tim Luke
IDWR Water Compliance Bureau Chief
