**Agenda Item No. 11: Basin 37 Settlement CIEF Petition**

Mr. Patton introduced the Conservation, Infrastructure, and Efficiency Fund (CIEF) petition. He discussed some of the specifics of the management plan. Mr. Olmstead and Mr. Stevenson had participated in the discussions. The plan calls for a match of the funds for the CIEF.

Mr. Carl Pendleton of the Big Wood Canal Company addressed the board on the topic. He would like the board to consider allocation of $200,000 as mentioned in the plan. He further requested that the board consider a 2-1 match for the first year or enhance the funds to organize the CIEF Board. There was some discussion on the total funding. Chairman Raybould asked for clarification on whether the money would be paying for water as opposed to infrastructure and conservation improvements.

Mr. Cooper Brossey of the Big and Little Wood Water Users Association discussed the need for the funding. There was discussion on options. Mr. Pendleton named some affordable projects that are being considered. Chairman Raybould suggested an option for funding the CIEF petition. Mr. Stevenson supported the suggestion as a possible way forward. Ms. Candace McHugh shared an appreciation for the Chairman’s suggestion.

Mr. Olmstead asked for Pat Purdy from Picabo Livestock Company to give his thoughts. He was involved in the advisory committee. He stated that this water year would be especially difficult.
Mr. Patton provided an edit for the draft resolution starting at line 102: “Now therefore be it resolved that the Idaho Water Resource Board authorizes a commitment of funds not to exceed $200,000 annually from the Secondary Aquifer Planning, Management, and Implementation Fund for the next three years, on a two to one match in year one, and on a dollar for dollar match in subsequent years for those funds provided by the groundwater users to the CIEF for conservation infrastructure and efficiency funding. Now therefore, be it further resolved that this commitment of funds is subject to the director's approval of the Big Wood River Groundwater Management Area management plan. Therefore, be it further resolved that the board authorizes its chairman or his designee to execute necessary agreements. Therefore, be it further resolved that after three years progress under the management plan including progress made with CIEF funded projects shall be reviewed and if found satisfactory by the Board may elect to extend its commitment made under this resolution and then a new therefore, be it resolved. Now therefore, be it further resolved that after the initial three-year period at least equal to the amount contributed to the CIEF by the Idaho Water Resource Board shall be committed for conservation, infrastructure, and efficiency projects.” Ms. Cole-Hansen had a couple of other edits for the resolution.

Mr. Olmstead moved to adopt the resolution with the edits as stated by Mr. Patton and Ms. Cole-Hansen. Mr. Van Stone seconded. Roll call vote: Mr. Barker, abstain; Mr. Chase, aye; Ms. Cole-Hansen, aye; Mr. Olmstead, aye; Mr. Stevenson, aye; Mr. Van Der Meulen, abstain; Mr. Van Stone, aye; and Chairman Raybould, aye. 6 ayes.
