- Welcome, introductions and agenda review
- Overview and Purpose of Management Alternative Working Group (MAWG) meetings

Section I – Review of Previous Discussions and Presentation of Management Alternatives in Draft Framework (9:00 a.m. to noon)

- Presentation: Management Alternatives in the Draft Framework (Facilitation Team)
- Points for discussion:
 - Does this outline capture the conversations at previous working group meetings?
 - Any suggested changes to the way the management alternatives are presented?
 - Any additional management alternatives that should be included?

Lunch – Noon to 1:00 p.m. (on your own)

Section II – Goals for the Comprehensive Aquifer Management Plan (1:00 p.m. to 2:30 p.m.)

- Presentation: Goals and Objectives in the Draft Framework (Facilitation Team)
- Points for discussion:
 - Are the draft goals and objectives realistic? Measurable? Achievable?
 - Can participants live with the goals and objectives as they are framed? What changes could be made?

Break – 2:30 p.m. to 3:00 p.m.

Section III – Funding Principles and Strategies (3:00 p.m. to 5:00 p.m.)

- Presentation: Views on Funding Principles and Strategies – Stakeholder Perspectives from Interviews and Public Meetings (Facilitation Team)
- Points for discussion:
 - On what principles should a strategy for funding management alternatives be based?
 - What funding sources are available? What are the challenges and opportunities for each one?

(Time frames given for each discussion topic are approximate.)
