

The Board's Water Supply Bank

Monica Van Bussum
Idaho Department of Water Resources
September 29, 2010

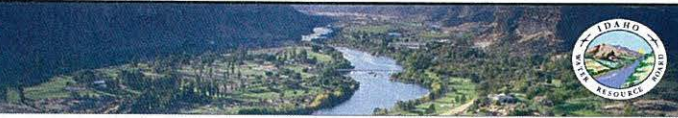

What is "the Bank?"

- Exchange market operated by the IWRB to facilitate marketing of water rights
- Provides mechanism to temporarily change water rights
- Can be a substitute for transfers

Source: IDAPA 37.02.03.01 and Idaho Code 42-1764

What are the purposes of the Bank?

- Encourage the highest beneficial use of water
- Provide a source of water supplies to benefit new and supplemental uses
- Provide funding source for improving water user facilities and efficiencies

Source: Idaho Code Section 42-1761 and IDAPA 37.02.03

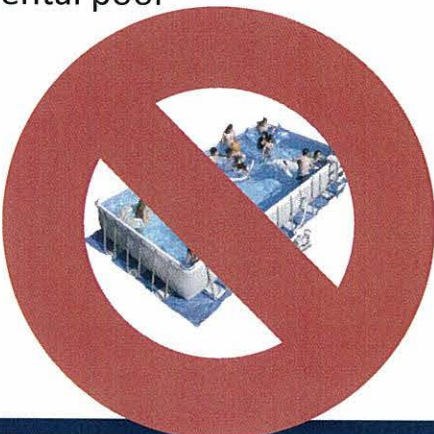

What isn't "the Bank?"

- Not a rental pool

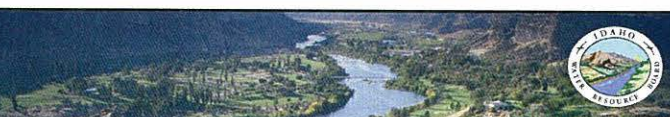

Bank v. Rental Pools

<u>Board's Bank</u>	<u>Rental pool</u>
<ul style="list-style-type: none"> Managed by IDWR for the IWRB Throughout Idaho Ground and surface water – live/natural flow 	<ul style="list-style-type: none"> Managed by local committee Specific watersheds Largely storage water
