**Agenda Item No. 2, Recharge**

Mr. Patton discussed ESPA managed recharge. He discussed recharge investigations findings, Board strategy, water availability, the Board’s current delivery payment plan, and to-date average yearly recharge. Mr. Patton presented a potential incentive-based payment plan.

There was discussion among the parties regarding the seasonal aspect of the plan and which areas of the state would be included. There was discussion
among the parties regarding the structure of the program and the Board’s priorities, and the possibility of recharging with water that is a storage water right rather than natural flow. Further items of discussion included agreements with environmental groups, water-savings contracts, and the addition of a clause in the resolution that identifies a 5-year review.

Mr. Patton provided examples of potential payments to canal companies based on the proposed payment schedule. There was discussion of average annual limits and equitable distribution among the canal companies in years with less water. Mr. Patton discussed infrastructure needs and the possibility of the Board paying for engineering assessments to determine infrastructure needs and costs. There was discussion regarding the costs associated with infrastructure and assessments, as well as the value of recharge.

Mr. Patton provided letters that have been sent to the Twin Falls Canal Company and American Falls Reservoir District No. 2 discussing this concept. A letter to Northside Canal Company is forthcoming. There was discussion among the parties regarding other recharge areas. There was discussion regarding the resolution. Mr. Barker suggested adding, “Be it further resolved that the Board will evaluate projects on an individualized basis, taking into consideration hydrology and finances.” Mr. Raybould suggested an alteration the addition to say “… hydrology, retention time, and financial constraints.” Mr. Barker also requested that the resolution be amended to be consistent in its references to Milner Dam and Milner Pool.

Mr. Barker moved to adopt the resolution to approve a winter-time payment schedule for delivery of water for managed recharge, with the amendments discussed earlier. Mr. Alberdi seconded the motion.

Roll Call Vote: Mr. Cuddy: Aye; Mr. Alberdi: Aye; Mr. Stevenson: Aye; Mr. Raybould: Aye; Mr. Van Der Meulen: Aye; Mr. Graham: Aye; Mr. Barker: Aye; Chairman Chase: Aye. Motion passed.

**Agenda Item No. 3, Other Non-Action Items Board Members May Wish to Discuss**

Mr. Stevenson discussed an email regarding new development and the impact on water management. There was further discussion among the parties regarding this topic. There was also discussion among the parties regarding additional staff positions and next meetings.

**Agenda Item No. 4, Adjourn**

Mr. Alberdi made a motion to Adjourn, and Mr. Cuddy seconded the motion. Voice Vote. All were in favor. Motion Carried.

The IWRB Meeting 9-14 adjourned at approximately 2:40 pm.

Respectfully submitted this 28th day of September, 2014.

Bob Graham, Secretary

Mandi Pearson, Administrative Assistant II
