- Exclusive of pass-through payments made by the U.S. Bureau of Reclamation. (1)
- Excess funds generated by the Dworshak Hydropower Project are deposited into the Revolving Development Account (Main Fund) on (2) a monthly basis. To the date of this report this has totaled \$2,446,135.
- This line item includes power sales and interest income after removing debt service. Debt service is paid prior to the funds being deposited in the Revolving Development Account.
- Exclusive of project funds provided by Bonneville Power Administration or federal appropriation sources. These funds are provided to the Board based on individual project proposals and so are not included in the income projection.
- Excess funds generated by the Pristine Springs Project are deposited into the Revolving Development Account (Main Fund) or into the Rathdrum Prairie/Treasure Valley Sub Account.
- Pass-through for Bureau of Reclamation grant to assist with installation of measurement devices in Water District 02.
- Pass-through for owners share of Water Supply Bank lease/rentals. Interest earned accrues to IWRB. (7)
- (8) Source is Pristine Springs loan repayments of \$716,000 annually through 2027.
