Thanks for keeping me in the loop. You are correct, there is no objection from IGWA.

Thanks Rob. I'm including TJ so he is aware of Pancheri's request. TJ – I assume there is no concern with the request. Let me know if that is an incorrect assumption.

Garrick:

Thank you for your email. You are correct—the Pancheris would like to pause processing of their mitigation plan at this time.

Thanks,

Rob,

I'm following up on our conversation last week regarding the Pancheri mitigation plan. It is my understanding that your client would like the Department to pause moving forward with the mitigation plan (CM-MP-2025-001). Is that correct?
