THE IDAHO DEPARTMENT OF WATER RESOURCES and GARY SPACKMAN, in his capacity as the Director of the Idaho Department of Water Resources,

Respondents,

and

SUEZ WATER IDAHO, INC.,

Intervenor-Respondent-Cross-Appellant.

Respondents the Idaho Department of Water Resources and Gary Spackman, in his capacity as Director of the Idaho Department of Water Resources (collectively, "Department"), by and through their attorneys of record and pursuant to Idaho Appellate Rule 32 hereby submit this memorandum in support of their accompanying motion to file a response brief in this appeal in excess of the 50 page limit set forth in Idaho Appellate Rule 34(b). The Department estimates that the text of the brief will be approximately 100 pages, but would not exceed 110 pages.

This case is an appeal from an IDAPA administrative judicial review proceeding initiated by the "Ditch Companies," the Boise Project Board of Control, and New York Irrigation District (collectively, "Irrigation Organizations"). The Irrigation Organizations petitioned the District Court for review of the Director's final orders regarding "distribution of water to federal onstream reservoirs in Water District 63." R. 001053. The District Court affirmed the Director's orders in part, and set aside and remanded in part. R. 001052-74.

The underlying administrative contested case was initiated in 2013 and concluded in 2015. There was a five-day hearing and the agency record exceeds 28,000 pages. The Director's orders are lengthy and include extensive factual findings and legal analysis. The issues include factually and legally complex questions of water administration.

On May 8, 2017, this Court granted the request of the Ditch Companies to file an overlength opening brief of not more than 110 pages. The Ditch Companies' opening brief in this matter was 90 pages in length. Accordingly, 50 pages will be insufficient to address all of the issued raised by the Ditch Companies.

Given the voluminous record, the nature and complexity of the issues, and the length of the Ditch Companies opening brief, good cause exists to grant the Department's motion for leave to exceed the 50 page limit of Idaho Appellate Rule 34(b). As the Certificate of Uncontested Motion accompanying the motion explains, counsel for the Department has discussed this matter
