Re: Basin 37 Administrative Proceeding; Prehearing Conference May 24, 2021.

Dear Director Spackman:

In connection with the Prehearing Conference scheduled in this matter Simplot holds certain rights to divert water from Silver Creek for irrigation purposes. For the conference scheduled on May 24, Simplot wants to participate for informational purposes only and does not intend to become a party to the proceedings advocating either for or against further administration of groundwater considered tributary to Silver Creek. With this level of participation, I respectfully request the Director's approval for Simplot to participate in this prehearing conference by teleconference if possible. If approved, any instructions of a conference identification number, meeting ID or phone number, can be provided to me by email (vic.conrad@simplot.com) or by phone (208-780-7359).

Sincerely,

Vic Conrad
