RE: Participating as an observer in AA-WRA-2021-001

To whom it may concern:

On May 4, 2021, Director Spackman issued a *Notice of Administrative Proceedings* in Water Districts 37 and 37B. The *Notice requires that any person wishing to participate in the matter should advise in writing by May 19.*

This letter is to advise you that I desire to participate as an observing only (not a party) on behalf of the Idaho Water Users Association. Please include me on the email distribution list and forward remote participation information for the preparing conference.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul L. Arrington", with a long horizontal flourish extending to the right.
