Chris,

The Department did not serve notice of the staff memo since we did not know who all intended to participate. The notice of intent to participate deadline is tomorrow and once we've compiled all of the responding parties, we will send out information about the Director's request and the responsive staff memo. In addition, we will send out the information to participate in the pre-hearing conference remotely. Let me know if you have any further questions.

Meghan

**Subject:** B37 Staff Memos

Garrick,

I wanted to reach out and let you know that neither Candice or I received any notice of the Director's request for staff memo. I understand there was some sort of email service that went out to some of the other attorneys notifying them of the Director's request. I see today that links to responsive staff memos were posted to the website, sometime this morning. I say sometime this morning because I was on the site right about 10:00 a.m. and the last document that was posted was the city of Idaho Falls notice of participation. Do you anticipate providing notice of substantive documents like the staff memos so parties know they're posted?

Thanks,

Chris M. Bromley
