RE: Notice of Possible Curtailment of Ground Water Rights with Priority Dates Junior to December 30, 1953 - Surface Water Coalition Delivery Call

Dear Water Right Holder,

You are receiving this letter because, according to the records of the Idaho Department of Water Resources (“Department”), you are the holder of one or more water rights authorizing diversion of ground water from the Eastern Snake Plain Aquifer Area of Common Ground Water Supply (“ESPA”) that are not covered by an approved and effectively operating mitigation plan. Because your water right(s) are not currently covered by an approved and effectively operating mitigation plan, **your water right(s) may be subject to curtailment this 2023 irrigation season.**

On April 21, 2023, the Director of the Department issued the *Final Order Regarding April 2023 Forecast Supply (Methodology Steps 1-3)* (“As-Applied Order”). The As-Applied Order predicts a shortfall in the water supply for senior priority Snake River water rights during the 2023 irrigation season, which will result in mitigation requirements or curtailment for ground water rights with priority dates junior to (later than) **December 30, 1953.**

The Department scheduled a hearing for the parties to the As-Applied Order on **June 6–10, 2023.** After the hearing the Director will decide whether to issue a curtailment order. If the Director issues a curtailment order, ground water rights junior to December 30, 1953, could be subject to curtailment unless the holders of junior priority ground water rights mitigate for ground water diverted pursuant to an approved mitigation plan.

Holders of ground water rights affected by a curtailment order may participate in an approved mitigation plan. See Idaho Code § 42-5259. If you are already a member of a ground water district, please contact and work with the district to ensure the district’s records are up to date. If you are not a member of a ground water district, you may want to contact the nearest ground water district to inquire if the district will allow you to join.

Holders of ground water rights potentially subject to curtailment may also submit a proposed mitigation plan to the Director in accordance with Conjunctive Management Rule 43.¹ See IDAPA 37.03.11.043. However, please be aware the approval process for a mitigation plan is time-consuming. A proposed mitigation plan submitted now may not be approved in time for the 2023 irrigation season. Upon receipt of a proposed mitigation plan, the Director will publish notice for two successive weeks, after which ten days will be allowed for the filing of protests. The Director may hold a hearing if necessary to determine whether a proposed mitigation plan will mitigate injury to the SWC caused by diversions of ground water authorized by junior priority ground water rights. If the proposed mitigation plan is protested, the Director will hold a hearing. Please be advised that a curtailment order is not stayed pending evaluation of a mitigation plan.

¹ For example, a copy of the proposed mitigation plan submitted by the SWC & IGWA can be found here: <https://idwr.idaho.gov/wp-content/uploads/sites/2/legal/CM-MP-2016-001/CM-MP-2016-001-20160309-SWCs-and-IGWAs-Stipulated-Mitigation-Plan-and-Request-for-Order.pdf>

Information regarding the ongoing status of this matter may be found under the Current Topics section of the Department's website at: <https://idwr.idaho.gov/> If you have questions concerning this notice, please contact the Department's State Office in Boise at 208-287-4800, or the water district watermaster in your area who regulates ground water within the ESPA and copied below. Water district boundaries can be found on the web at <https://idwr.idaho.gov/water-rights/water-districts/map/>, and Watermaster contact information can be found on the web at <https://research.idwr.idaho.gov/files/ExternalReports/wdcontactsrpt.pdf>

Respectfully,

Gary Spackman
GARY SPACKMAN
Director

- c. Blake Jordan, Watermaster, Water Districts 100, 110 and 120
- Brian Ragan, Watermaster, Water District 130
- Jaxon Higgs, Watermaster, Water District 140
- Greg Shenton, Watermaster, Water District 31
- Preston Marcroft, Watermaster, Water District 34
