**RE: Notice of Final Order Curtailing Ground Water Rights Junior to November 27, 1984;  
Affirm and Amend Ground Water Rights Curtailment List-Surface Water Coalition  
Delivery Call**

Dear Water Right Holder,

You are receiving this letter because, according to records of the Idaho Department of Water Resources ("Department"), you are the holder of one or more ground water rights bearing a priority date junior to November 27, 1984 and were subject to the Department's *Final Order Curtailing Ground Water Rights Junior to June 14, 1977* ("Second Curtailment Order"), issued August 4, 2021.

On December 21, 2021, the Department issued the *Final Order Establishing 2021 Reasonable Carryover (Methodology Step 9)* ("Step 9 Order"). The Methodology Step 9 reasonable carryover shortfall prediction in the Step 9 Order is smaller than the shortfall established by the Second Curtailment Order. Therefore, ground water rights with priority dates senior to, and including, November 27, 1984, are no longer subject to curtailment. However, ground water rights junior to November 27, 1984, remain subject to curtailment under the Second Curtailment Order.

Information regarding the ongoing status of the curtailment may be found at:  
<https://idwr.idaho.gov/legal-actions/curtailments/2021-curtailment-information/#>.

If you have questions concerning this notice, please contact the Department's State Office in Boise at (208) 287-4800.

Respectfully,

Gary Spackman  
Director
