Dear Managers:

This letter is a reminder of the April 2, 2019, deadline for you to submit electronic shape files depicting projected irrigated acres for 2019 within your area of water delivery as required in step one of the *Fourth Amended Final Order Regarding Methodology for Determining Material Injury to Reasonable In-Season Demand and Reasonable Carryover*. The shape files and associated irrigated acreage are necessary inputs to apply the methodology order for the upcoming irrigation season. As soon as possible, please either submit your electronic shape files to the Department or confirm in writing that the existing electronic shape file from the previous year has not varied by more than 5%. Please direct your responses to Kimberle English at [kimberle.english@idwr.idaho.gov](mailto:kimberle.english@idwr.idaho.gov).

Sincerely,

A handwritten signature in blue ink that reads "Gary Spackman". The signature is fluid and cursive, written in a professional style.
