

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF DISTRIBUTION OF
WATER TO VARIOUS WATER RIGHTS HELD
BY OR FOR THE BENEFIT OF A&B
IRRIGATION DISTRICT, AMERICAN FALLS
RESERVOIR DISTRICT #2, BURLEY
IRRIGATION DISTRICT, MILNER IRRIGATION
DISTRICT, MINIDOKA IRRIGATION
DISTRICT, NORTH SIDE CANAL COMPANY,
AND TWIN FALLS CANAL COMPANY

Docket No. CM-DC-2010-001

**FINAL ORDER CURTAILING
GROUND WATER RIGHTS
JUNIOR TO AUGUST 28, 1955**

The Director of the Idaho Department of Water Resources (“Department”) finds, concludes, and orders as follows:

FINDINGS OF FACT

1. On July 19, 2023, the Director issued the *Sixth Final Order Regarding Methodology for Determining Material Injury to Reasonable In-Season Demand and Reasonable Carryover* (“*Methodology Order*”).¹ The *Methodology Order* established nine steps for determining material injury to members of the Surface Water Coalition (“SWC”).²

2. On April 16, 2025, the Director issued the *Final Order Regarding April 2025 Forecast Supply (Methodology Steps 1–3)* (“*As-Applied Order*”), which applied steps 1, 2, and 3 of the *Methodology Order*. The Director predicted an April in-season demand shortfall (“IDS”) of 63,000 acre-feet. *As-Applied Order*, at 3. The Director ordered that, by May 1, 2025, ground water users with consumptive water rights “bearing priority dates junior to August 28, 1955, within the Eastern Snake Plain Aquifer area of common ground water supply [(“ESPA ACGWS”)] shall establish, to the satisfaction of the Director, that they can mitigate for their proportionate share of the predicted April IDS of 63,000 acre-feet in accordance with an approved mitigation plan.” *Id.* at 6. The Director also ordered that, if such a junior ground water user cannot establish that they can mitigate for their proportionate share of the predicted IDS “in accordance with an approved mitigation plan, the Director will issue an order curtailing the junior-priority ground water user.” *Id.*

¹ Shortly after the *Methodology Order* was issued, the Idaho Ground Water Appropriators, Inc. (“IGWA”) and certain Idaho cities filed petitions for judicial review in Ada County (Nos. CV01-23-13173 and CV01-23-13238). IGWA’s petition for judicial review is stayed until December 31, 2027. The cities’ petition for judicial review is pending before the Idaho Supreme Court. The filing of a petition for judicial review does not stay the effectiveness of an order. I.C. § 67-5274. No party to the judicial review proceedings has requested a stay of the *Methodology Order*.

² The SWC is comprised of A&B Irrigation District, American Falls Reservoir District #2, Burley Irrigation District, Milner Irrigation District, Minidoka Irrigation District, North Side Canal Company, and Twin Falls Canal Company.

3. There are currently five approved mitigation plans in place responding to the SWC delivery call:

- (1) Docket No. CM-MP-2010-001 for the benefit of the Southwest Irrigation District and Goose Creek Irrigation District (collectively, “SWID”);
- (2) Docket No. CM-MP-2019-001 for the benefit of certain cities commonly referred to as the “Coalition of Cities”;
- (3) Docket No. CM-MP-2015-003 for the benefit of the A&B Irrigation District (“A&B”);
- (4) Docket No. CM-MP-2007-001 for the benefit of certain entities commonly referred to as the “Water Mitigation Coalition”; and
- (5) Docket No. CM-MP-2024-003 for the benefit of certain ground water districts commonly referred to as the “Ground Water Districts.”

4. In the 2025 *As-Applied Order*, the Director found that due to the nature of the approved mitigation plans for SWID, the Coalition of Cities, the Water Mitigation Coalition and the Ground Water Districts, these entities do not need to establish they can mitigate for their proportionate share of the predicted April IDS. *As-Applied Order*, at 5 n.8. However, the Director found that A&B must mitigate for its proportionate share of the predicted IDS of 63,000 acre-feet and determined that A&B’s proportionate share is 384 acre-feet. *Id.*

5. In response to the 2025 *As-Applied Order*’s requirement for junior ground water right holders to establish how they will mitigate their proportionate share of the predicted demand shortfall, A&B sent a letter to the Director stating:

[I]t is the District’s intent to continue to curtail the enlargement water rights (2,063 acres) for the 2025 irrigation season. The District will also deliver surface water to an additional 1,510.6 acres that could have been irrigated with some of the District’s ground water rights with an April 1, 1962 priority (water right nos. 36-15127A et al.). The District intends to continue to deliver surface water to lands formerly irrigated with groundwater, approximately 3,573.6 in total, with groundwater supplied to certain areas as needed for pipeline operations.

Letter from Travis Thompson, attorney for A&B, to Mat Weaver, Department Director (April 29, 2025). In the letter, A&B also stated:

[T]o the extent that A&B needs to also show that it has 384 acre-feet of storage to delivery to [Twin Falls Canal Company], that water is expected to be available in its final storage allocation for the 2025 irrigation [sic] (American Falls and Palisades storage space). If necessary, that amount of storage will be available for formal assignment from A&B to [Twin Falls Canal Company] through the Water District 01 rental pool.

Id. A&B requested the Department’s input on how best to address questions regarding assignment of storage. *Id.* Separately, A&B also submitted *A&B Irrigation District’s Request for Hearing*, seeking a hearing on the Department’s calculation of its proportional share.

CONCLUSIONS OF LAW

1. Idaho Code § 42-602 authorizes the Director to supervise water distribution within water districts:

The director of the department of water resources shall have direction and control of the distribution of water from all natural water sources within a water district to the canals, ditches, pumps and other facilities diverting therefrom. Distribution of water within water districts created pursuant to section 42-604, Idaho Code, shall be accomplished by watermasters as provided in this chapter and supervised by the director. The director of the department of water resources shall distribute water in water districts in accordance with the prior appropriation doctrine. The provisions of chapter 6, title 42, Idaho Code, shall apply only to distribution of water within a water district.

2. As explained above, by May 1, 2025, ground water users with consumptive water rights “junior to August 28, 1955, within the [ESPA ACGWS]” had to “establish, to the satisfaction of the Director, that they can mitigate for their proportionate share of the predicted April IDS of 63,000 acre-feet in accordance with an approved mitigation plan.” *As-Applied Order*, at 6. If a junior ground water user does not establish that they can mitigate for their proportionate share of the predicted April IDS “in accordance with an approved mitigation plan” the ground water user will be subject to this “order curtailing the junior-priority ground water user.” *Id.*

3. Due to the nature of the approved mitigation plans for SWID, the Coalition of Cities, the Water Mitigation Coalition, and the Ground Water Districts, these entities do not need to establish that they can mitigate for their proportionate share of the predicted April IDS. Junior ground water users entitled to the protection of SWID, the Coalition of Cities, the Water Mitigation Coalition, and the Ground Water Districts mitigation plans will not be subject to curtailment during the 2025 irrigation season.

4. In its April 29, 2025 letter to the Director, A&B stated that it would continue to curtail its enlargement water rights for the 2025 irrigation season. To ensure that A&B’s enlargement water rights are curtailed for the 2025 irrigation season, the Director will include the enlargement water rights on the list of water rights subject to curtailment. This list is attached as Attachment A to this order. In the letter, A&B also stated that it would continue to provide surface water to certain acres within the A&B project. This would result in only 534.3 acres being irrigated with water rights with a priority date junior to August 28, 1955. As of the date of this order, A&B has not provided documentation that it has secured the storage water necessary to mitigate for its obligation under its approved mitigation plan. With the understanding that A&B possesses over 137,000 acre-feet of storage space and is in the process of securing a lease within Water District 01 for the required mitigation amount, water right no. 36-15127B will not be placed on the

curtailment list. If A&B has not secured the lease by June 6, 2025, water right no. 36-15127B will be added to the curtailment list.

5. Consistent with the *As-Applied Order*, Idaho Code § 42-602, and decisions of the courts, the Director must order curtailment of junior-priority ground water users that have not established they can mitigate in accordance with an approved mitigation plan. Junior-priority ground water users subject to curtailment are listed in Attachments A to this order.

ORDER

Based upon and consistent with the foregoing, IT IS HEREBY ORDERED that effective May 31, 2025, ground water users holding water rights bearing priority dates junior to August 28, 1955, within the ESPA ACGWS, and listed in Attachment A to this order, shall curtail/refrain from diversion and use of ground water pursuant to those water rights unless notified by the Department that the order of curtailment has been modified or rescinded as to their water rights.

IT IS FURTHER ORDERED that holders of ground water rights listed in Attachment A to this order may seek to participate in an approved mitigation plan through a ground water district and shall have fifteen days from the date of this order to join, solely for mitigation purposes, the ground water district situated nearest the lands to which the water rights are appurtenant. *See H.B. 737a, 58th Leg., 2d Reg. Sess. (Idaho 2006) (Act Relating to the Administration of Ground Water Rights Within the Eastern Snake River Plain); see also I.C. § 42-5259.*

IT IS FURTHER ORDERED that on or before June 6, 2025, A&B shall provide documentation, to the satisfaction of the Director, that it has secured a lease for the amount of storage water necessary to mitigate for its obligation under its approved mitigation plan. If A&B cannot establish, to the satisfaction of the Director, that it has secured such a lease, the Director will issue an order adding water right no. 36-15127B on the list of water rights subject to curtailment.

IT IS FURTHER ORDERED that watermasters for the water districts within the ESPA ACGWS who regulate ground water are directed to review the water rights listed in Attachment A to this order and begin the curtailment process.

IT IS FURTHER ORDERED that this order shall apply to consumptive ground water rights, including but not limited to, agricultural, commercial, industrial, and municipal uses. This order excludes ground water rights used for *de minimis* domestic purposes where such domestic use is within the limits of the definition set forth in Idaho Code § 42-111 and ground water rights used for *de minimis* stock watering where such stock watering use is within the limits of the definitions set forth in Idaho Code § 42-1401A(11), pursuant to IDAPA 37.03.11.020.11.

Dated this 16th day of May 2025.

MATHEW WEAVER

Director

**EXPLANATORY INFORMATION TO ACCOMPANY A
FINAL ORDER**

(To be used in connection with actions when a hearing was **not** held)

The accompanying document is a "Final Order" issued by the Idaho Department of Water Resources ("Department") pursuant to Idaho Code § 67-5246.

PETITION FOR RECONSIDERATION

(See Idaho Code § 67-5246(4))

Any party may file a petition for reconsideration of this final order within fourteen (14) days of the service date of this order as shown on the certificate of service. **Note: the petition must be received by the Department within this fourteen (14) day period.** The presiding officer will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law.

REQUEST FOR HEARING

(See Idaho Code § 42-1701A(3))

Unless the right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director, and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to Idaho Code § 42-1701A(3). A written petition to the Director contesting this final order and requesting a hearing must be filed with the Department by any aggrieved person **within fifteen (15) days after service of this final order.**

CERTIFICATE OF SERVICE

(See IDAPA 37.01.01.053, 37.01.01.202)

All documents filed with the Department in connection with a petition for reconsideration or a request for hearing of this final order shall be served on all other parties to the proceedings in accordance with Rules of Procedure 53 and 202.
