*Re: Rangem CM-DC-2011-004 – Model File Documentation*

Dear Director:

As part of the ongoing Rangem Delivery Call case, we are requesting the following information from IDWR in order to assist IGWA's experts in preparing their rebuttal reports which are due February 1, 2013. I suspect that this information is too large to email, therefore, the information can be sent to us via IDWR's ftp site or a data disc, whichever is most convenient for the Department.
