Re: *Contested Case concerning Delivery Calls in the Big Wood and Little Wood Rivers*
Docket Nos. CM-DC-2015-001 and CM-DC-2015-002

Dear Director:

Attached is the list of groundwater users who intend to participate in the contested case proceedings related to the delivery calls in the Big Wood and Little Wood Rivers. These groundwater users are prospective members of the South Valley Groundwater District. A vote to form this Groundwater District is scheduled for May, after the status conference in these contested cases. Should this Groundwater District be approved by the voters and formed, these users would expect to participate in these proceedings through the Groundwater District, although each reserves the ability to participate in their individual capacities.

Meanwhile, I will appear for and attend the status conference on behalf of these users.

Very truly yours,

BARKER ROSHOLT & SIMPSON LLP
