Dear Mr. Spackman

Pursuant to your letter of March 20, 2015 regarding two conjunctive management water delivery call letters from the Big Wood & Little Wood Water Users Association, the Aspen Hollow Homeowners Association intends to participate in the contested case proceedings designated as CM-DC-2015-001 and CM-DC-2015-002.

We are advising Attorney James Speck and Charles Brockway of Brockway Engineering of our objection to these water calls and our intent to pursue all appropriate means to defend our water rights.

Sincerely,
