Dear Mr. Spackman:

We received your March 20, 2015 letter regarding the water right delivery calls filed by the Big Wood & Little Wood Water User Associations. The Forest Service has a junior groundwater right at the Sawtooth National Recreation Headquarters that may be affected by these delivery calls. As such, we intend to participate in the CM-DC-2015-001 and CM-DC-2015-002 proceedings and will attend the May 4, 2015 status conference in Shoshone, Idaho.

Please direct any questions or future correspondence or notices of proceedings to:
