**CITY OF POCATELLO'S  
STATEMENT OF POSITION  
REGARDING PENDING  
MITIGATION MATTERS**

The City of Pocatello ("City" or "Pocatello") hereby submits this Statement of Position Regarding Pending Mitigation Matters in preparation for the scheduled status conference before the Director on February 10, 2010.

Pocatello does not object in concept to the Stipulation and Joint Motion for Approval of A&B Irrigation District's Rule 43 Mitigation Plan ("Joint Stipulation") received February 1, 2010. However, even if the Joint Stipulation is approved by the Director, there remain mixed issues of law and fact in this case: how will the Department provide credit for mitigation water where multiple mitigation plans propose to address the same alleged shortage, and specifically, how will the Department calculate and assign such mitigation credit to prevent over-mitigation? If the Joint Stipulation is to be approved by the Director, the Director must then address these remaining questions of law and fact that are common to the mitigation plans before the Department. Therefore, Pocatello intends to continue its participation under its Protest in this matter to address its concerns regarding over-replacement.

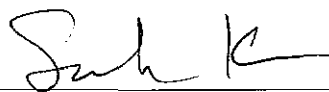

Further, to clarify, Pocatello neither supports nor opposes the filings made recently by Unit A, including their Opposition to the Joint Motion.

DATED this 9<sup>TH</sup> day of February, 2010.
