COME NOW, Petitioners, A&B Irrigation District (“A&B”), American Falls Reservoir District #2 (“AFRD#2”), Burley Irrigation District (“BID”), Milner Irrigation District (“Milner”), Minidoka Irrigation District (“MID”), North Side Canal Company (“NSCC”), and Twin Falls Canal Company (“TFCC”) (collectively hereafter referred to as the “Surface Water Coalition”, “Coalition”, or “SWC”), by and through their undersigned counsel, and hereby request a status conference in the above-referenced appeals.

Presently pending before this court are six appeals from the same two final orders by the Interim Director of the Idaho Department of Water Resources; the June 23, 2010 *Second Amended Final Order Regarding Methodology for Determining Material Injury to Reasonable In-Season Demand and Reasonable Carryover* (the “*Methodology Order*”) and the June 24, 2010 *Final Order Regarding April 2010 Forecast Supply (Methodology Steps 3&4); Order on Reconsideration* (the “*As-Applied Order*”).

The *Methodology Order* was appealed to the Gooding County District Court by the Coalition (Appeal No. CV-2010-384), the Idaho Ground Water Appropriators, Inc. (“IGWA”) (Appeal No. CV-2010-383); and the City of Pocatello (Appeal No. CV-2010-388). The *As-Applied Order* was appealed to the Gooding County District Court by IGWA (Appeal No. CV-2010-382) and Pocatello (Appeal No. CV-2010-387). The Coalition appealed the *As-Applied Order* to the Twin Falls County District Court (Appeal No. CV-2010-3403). Pursuant to the Supreme Court’s December 9, 2009 *Administrative Order*, each of these appeals has been reassigned to the SRBA District Court for further proceedings.

In addition to filing an appeal, IGWA and the City of Pocatello moved to have their appeals of the *Methodology Order* combined with their appeals of the *As-Applied Order*. Finally, IGWA and Pocatello have filed a *Motion to Renumber Appeals & to File Appeals in Gooding County Case No. CV-2008-551*. That motion seeks to have appeal nos. 2010-383, 2010-384 and 2010-388 all removed from the SRBA District Court, renumbered and refiled as part of the original appeal in *A&B, et al. v. IDWR* (Gooding County Case No. CV-2008-551). The Coalition intends to respond to these motions.

Currently, there are six separate appeals of the Interim Director’s Final Orders issued in late June 2010, motions to consolidate IGWA’s and Pocatello’s appeals of the *Methodology*

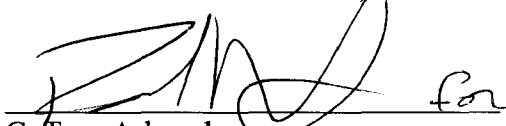

*Order and As-Applied Order* and a motion to move the *Methodology Order* appeals out of the SRBA Court and back to the Gooding County Court.

Based on the present procedural posture of the above appeals, the Coalition requests a status conference so that the Court and parties can discuss how the Court intends to proceed in these matters.

Presently, there is a status conference in the *A&B et al.* appeal set for August 6, 2010. The Coalition understands that that telephone status conference will be connected to the SRBA District Court. Furthermore, all the same parties to the above appeals will be participating in that status conference. Therefore, the Coalition would request a status conference to be set in the above appeals to immediately follow the August 6, 2010 status conference.

**RESPECTFULLY SUBMITTED** this 27<sup>th</sup> day of July, 2010.
