RE: A & B Irrigation District v. IDWR, Case No. CV-2010-512

Dear Clerk:

The *Scheduling Order Following Idaho Supreme Court Remittitur* issued October 16, 2012, in case no. CV-2011-512, ordered the clerk of the Department to lodge the record with the Department no later than November 13, 2012. The record filed with the court on October 29, 2009, in related case CV-2009-647, is also the record in case CV 2011-512. The record in case CV-2009-647 was augmented and corrected as noted in the *Order Granting Motion to Augment and Correct the Agency Record* on February 26, 2010. Compact disks containing copies of the agency record and transcript, or augmentations and corrections to the agency record, were previously provided to the parties under case CV-2009-647.

Timely objections were also filed by IDWR and several parties to the clerk's record on case CV-2009-647. The *Order on Objection to Clerk's Record* issued on April 12, 2011, addressed further additions made to the clerk's record.

Specifically in case CV-2010-512, IDWR filed an *Unopposed Objection to Clerk's Record on Appeal* on October 17, 2011, requesting the *Petition for Reconsideration of Interim Director's April 27, 2011 Final Order on Remand/Request for Hearing* ("Petition for Reconsideration") be included in the record. IDWR is unclear at this time as to whether the request was addressed, and the administrative appeal summary report available on the court's website does not contain an entry regarding the filing.

Based on the filings, and as the Department understands it, the record should consist of the following:

- Compact disk filed on October 29, 2009 in CV-2009-647;

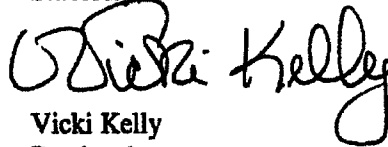

Natural Resources Division - Water Resources Section
P.O. Box 83720 Boise, Idaho 83720-0088

IDWR will provide compact disks containing the agency's record to the parties once it receives confirmation that the record should contain the items noted above, or objections filed therein.
