Subject: Cat Creek Energy, LLC - Permit Nos. 63-34403, 63-34652

Dear Director Spackman and parties,

Please find attached the Applicant Cat Creek Energy, LLC's Notice of Additional Information pertaining to the above referenced permits.

Also, be advised that Applicant will be filing in the next few days two additional applications for permits to appropriate the remaining water available in the Cat Creek Reservoir for consumptive uses. The CoV-19 pandemic has resulting in delays in obtaining certain final approvals and document signatures related to the new applications.

Thanks!

Randy
