BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO

IN THE MATTER OF APPLICATIONS ) ORDER GRANTING
FOR PERMIT NOS. 37-22682 AND 37-22852 ) PETITION TO INTERVENE
IN THE NAME OF INNOVATION MITIGATION )
SOLUTIONS, LLC ________________________

On June 12, 2014, the Idaho Department of Fish and Game (petitioner), by and through its Attorney Dallas Burkhalter, submitted to the Department of Water Resources ("Department") its Memorandum in Support of Petition to Intervene ("petition") as authorized in Rule of Procedure IDAPA 37.01.01.350 (Rule 350) in the matter of Applications for Permit Nos. 37-22682 and 37-22852.

Rule of Procedure IDAPA 37.01.01.353 (Rule 353) provides that if a timely filed petition to intervene shows direct and substantial interest in any part of the subject matter of a proceeding and does not unduly broaden the issues, the presiding officer will grant intervention, subject to reasonable conditions, unless the intervenor’s interest is adequately represented by existing parties. If it appears that the intervenor does not have a direct or substantial interest in the proceeding, the presiding officer may dismiss the intervenor from the proceeding.

In the matter of application for permit 37-22682, the petitioner already has standing through its timely filing of a protest on April 23, 2012.

In the matter of application for permit 37-22852 the petitioner does not have existing standing. However, since the petitioner has shown sufficient direct and substantial interest in the matter of application for permit 37-22682, the Department should conditionally grant the petition.

ORDER

IT IS THEREFORE HEREBY ORDERED that the petition of the Idaho Department of Fish and Game requesting intervention in the above captioned matters is GRANTED and conditioned as follows:

1. The petitioner shall not broaden the issues to be heard at hearing.
2. The petitioner's intervention and participation shall not be a basis for any delay or extension of time in the proceedings.
