Tim Luke: In regards to the Denial of my permit on the Red River for my Joint-APP. Dredge Permit Consider this letter AS MY FORMAL Appeal. I just found out that it was Denied Because I am currently Dredging on the Southfork of the Clearwater And Do not have Internet Access. Also what I have seen AS FAR AS the Denial it is all based on Lies and Assumptions! And would like you to be in Attendance At this Appeals Meeting so that you can explain why ^{you} Decided to Deny our Requests based on Comments from Environmentalists you are in cohorts ~~with~~ with! Looking Forward to seeing you At this Meeting so we can straighten this shit out!
