**GREGORY B. JOHNSON'S NOTICE
OF APPEAL, EXCEPTIONS AND
PETITION FOR REVIEW OF
PRELIMINARY ORDER TO THE
DIRECTOR**

Applicant Gregory B. Johnson, by and through his undersigned counsel of record hereby submits this *Notice of Appeal, Exceptions and Petition for Review of Preliminary Order to the Director* of the Idaho Department of Water Resources pursuant to IDAPA 37.01.01.730.02(c). The Applicant appeals/challenges the *Preliminary Order Approving Application for Amendment of Permit with Conditions and Denying Transfer* ("Preliminary Order") issued on June 4, 2021 denying the Application for Transfer No. 83875 in the name of Gregory B. Johnson ("Transfer Application") on grounds that the Transfer Application is not an enlargement and/or can be conditioned to ensure that no enlargement occurs. For good cause, and for reasons more fully argued in the *Memorandum in Support of Gregory B. Johnson's Notice of Appeal, Exceptions and Petition for Review of Preliminary Order to the Director*, submitted concurrently herewith,

Applicant requests the Director reverse the hearing officer's denial of the Transfer Application and thus grant the Transfer Application in its entirety with appropriate and/or necessary conditions.

DATED this 17th day of June, 2021.
