RE: Submittal of 2017 Management and Aquifer Stabilization Plan

Dear Director Spackman,

At the recent Regular Board Meeting of BLRGWD held on March 21, 2017, the Board approved the submittal of the enclosed 2017 Plan by a majority vote. We emphasize this 2017 Plan is a relatively speaking "next step" in what we hope is an open and productive dialogue between IDWR and the District. We look forward to hearing from you as we continue to develop and refine a water management plan for the Big Lost River Basin.

Respectfully Submitted,

Mitchell Sorensen, Sec. BLRGWD
