Subject: email service in P-DR-2017-001

Norm, Mike,

I'm writing in follow-up to the *Order Regarding Intervention; Order Requiring Submittal of Information* that Shelley Keen recently issued in the matter of Sylte's petition for declaratory ruling before IDWR. That order asked parties who were present at the prehearing conference but not represented by counsel to let IDWR know whether they agree to email service of documents in this matter. You obviously are counsel for parties in the matter and the email consent issue was not addressed to you. However, if you do consent to email service, could you please send something to the Department indicating that's the case so we can reflect that preference in our certificates of service going forward?

Thanks,

Emmi Blades
