To Whom It May Concern,

Today at 3:50 PDT, I received a call from Kimi White with IDWR in Boise.

She stated that the Notice of Proposed Default Order for matter of Sytle's petition was to be sent to us, was mailed to the incorrect address. Further she was letting us know another notice would be mailed to our correct address. She also asked about acceptance of email service. Both forms were emailed to me.

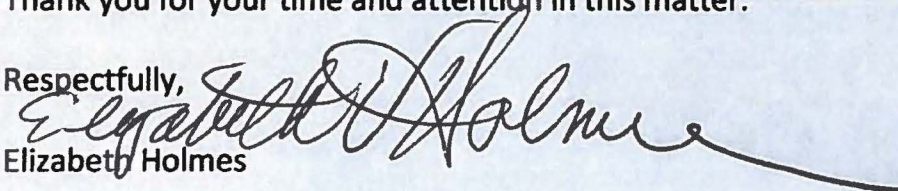

I explained that we were unable to attend the hearing due to a family funeral/private memorial in Seattle the same afternoon as the hearing. She asked that I put my statement in writing and forward it to her.

Please accept this as our apology and reason for non attendance. We are requesting that the proposed default order not be entered for Steven and Elizabeth Holmes in this matter.

Thank you for your time and attention in this matter.

Respectfully,

Elizabeth Holmes
