Dear Morgan,

I am requesting on behalf of the Twin Lakes/Rathdrum Creek Flood Control District #17, that future mail from the IDWR be sent Certified Mail. We would be happy to pay the additional mailing fees associated with this process.

We feel that in the past, that time sensitive mailings did not get delivered to us and important deadlines were missed. Causing the commissioners to be unable to take part in important hearings.

Please let us know your decision on this matter.

Sincerely,

Bobbie A Hunsinger
Secretary/Treasurer
