DEPARTMENT OF
WATER RESOURCES

In regards to the default notice, I was in Portland, Maine on May 22nd and on a flight home that day which did not arrive at Sea Tac until 8 PM that evening. Therefore I was unable to attend the meeting and was not available for contact by phone. The notice of default arrived at my mail room on May 31st - I flew to CA. that day and did not receive the notice of delivery attempt until June 8th when I picked up my mail after returning home. I then went to the Post Office to pick it up on Sat. June 10.

I hope this clarifies what happened. If not please contact me.

Sincerely,

Sandy Cozzetto
