**Re: Forfeiture Petitions**

Dear Director Spackman:

On September 16, 2021, my office hand-delivered to your office two forfeiture petitions on behalf of both Soulen Grazing Association and Soulen Livestock Company. Each petition referenced two exhibits that were inadvertently omitted from the delivery. They are enclosed with this letter and are:

For the Petition regarding certain Basin 67 water rights:

Ex. A, list of Basin 67 BLM overlapping water rights on the Crane Creek Allotment

Ex. B, Soulen Grazing Association Permit No. 1101236

For the Petition regarding certain Basin 65 and Basin 67 Water rights:

Ex. A, list of Basin 65 and 67 BLM water rights corresponding to the Paddock Valley Allotment

Ex. B, Soulen Grazing Association Permit No. 1101236 (same as Ex. B for the Crane Creek Allotment; both allotments are on the same BLM grazing permit)

Please include the attached exhibits with their respective petitions. I apologize for the oversight.

Sincerely,

HOLLAND & HART LLP
