The Exchange of Use Grazing Agreement has not been renewed at this time. Because your request was for 'all active BLM grazing permits,' this document was not responsive. We apologize for the confusion.

Hello,

I am following up on a voicemail I left Kristine King on October 8, 2021, in relation to your FOIA response that was sent October 8, 2021. One of the four grazing permits attached to your response is under the name "Sutton Ranches Inc."; that permit is unsigned, and the included term date is 03/01/2008 to 02/28/2018. My voicemail requested additional information surrounding this permit since it is unsigned with an expired term, and our FOIA requested current grazing permits. We would like to know if this permit was sent in error or if this permit has been extended and there is corresponding documentation that confirms such an extension. To date, I have not yet received a response to my call.

Thank you for your time,

Sarah Tschohl
