Subject: 37.03.08 Water Appropriation Rules Strawman v 2.0 and Rulemaking Schedule Update

All,

Good afternoon! The second draft of the Water Appropriation Rules ([Strawman v 2.0](#)) and responses to all public comments received to date on the Water Appropriation Rules ([IDWR First Response to Public Comments on Water Appropriation Rules](#)) are now posted on the Water Appropriation Rules rulemaking webpage. It took IDWR longer than originally anticipated to prepare Strawman v 2.0 and public comment responses. Therefore, IDWR is revising the remaining rulemaking schedule as follows:

1. Written comments on the Final Strawman of the Water Appropriation Rules (Strawman v 2.0) due to IDWR - **7/18/2023 by 5 pm.**
2. Public meeting on Final Strawman at IDWR (or remote) – **7/26/2023 at 10 am.**

Please send all written comments to rulesinfo@idwr.idaho.gov via email or to the Idaho Department of Water Resources State Office PO BOX 83720 Boise ID 83720-0098 via traditional mail.

Thank you again for your extensive comments so far! I'm happy to discuss any of IDWR's responses to your comments in greater detail if anyone would find that beneficial. If you have any questions or concerns, please contact me at angela.hansen@idwr.idaho.gov or 208-287-4951.

Regards,

Angie
