RE: Note of Contested Case and Formal Proceedings, and Notice of Status Conference,
Scheduled December 9, 2013

Director Spackman:

We fully support the current method of how water is counted or credited toward the fill of water rights for the federal on-stream reservoirs in Water District 01 and therefore support the current accounting method. We would like to be on record for our position.

Thank you.

Sincerely,

Von T. Cornelison, Sec./Treasurer
