Dear Director Spackman,

The Big Lost River Irrigation District Board of Directors would like to inform IDWR that we are not going to have our attorney of record, Kent Fletcher, attend the conference hearing for rotation credit on January 26, 2021. Instead, our chairman Byron Pehrson will be present on the teleconference meeting to represent the districts interests. We would like to remove our attorney as the contact for this matter until needed and please send all future correspondence and updates on this directly to the Irrigation District Board of Directors.

Thank you

Big Lost River Board of Directors
