A pre-hearing conference was held on August 14, 2015. At the conference, a question arose regarding the documents the Director plans to take notice of at the upcoming hearing. The Director previously provided the parties a list of documents that “may be made part of the record in this matter” on July 31, 2015, in a document titled *IDWR Witness, Exhibit, and Document List*. At the pre-hearing conference, a request was made by counsel for the Boise Project Board of Control for the Director to identify with more specificity the documents the Director plans to take notice of as part of this proceeding. The Director agreed to review the list. Based on additional review, the Director concludes that certain documents can be identified with more specificity. The Director will take notice of the following documents posted on IDWR’s Basin 63 contested case web page:
