RE: Clear Springs Foods, Inc. Delivery Call – Crystal Springs Farm

Dear Mr. Dreher:

Please consider this letter a formal request for water rights administration in Water District 130 pursuant to I.C. Section 42-607 in order to effectuate the delivery of Clear Springs Foods, Inc., a/k/a Clear Springs, water rights number 36-07083 and 36-07568 (Crystal Springs Farm). As supported by the enclosed graphs and tables, these water rights have not and are presently not being delivered to the partial decree elements provided in the Snake River Basin Adjudication. Water delivered through proper administration of junior surface and ground water rights within Water District 130 will be put to beneficial use by Clear Springs. Any further delay in the administration of water rights to effectuate said deliveries will only further injure Clear Springs' operations. Clear Springs respectfully requests these matters be acted upon in an expedited fashion.

Sincerely,

CLEAR SPRINGS FOODS, INC.
