Surface and Ground Water Data Submission*

Dear Interim Director Spackman:

Pursuant to the April 13, 2012 Prehearing Scheduling Order, enclosed is a CD containing ground and surface water data in SPF Water Engineering's possession collected on behalf of ARK Properties LLC and Mayfield Townsite LLC. This data includes the following:

- Email correspondence between IDWR and SPF including water level data.
- A map identifying the location of measured wells.
- Water level data including both data loggers and hand measurements.
- Indian Creek discharge measurements.
- Well completion report for Irrigation Well #1
- Well construction details and pump test results for Irrigation Well #2

Please let me know if you have any questions regarding this data.
