Attached is a copy of Section 60-113, Idaho Code, which is self-explanatory.

In order to comply with the code section, the department should prepare its legal notices in compliance with paragraph (b) of the section. We can simply add a statement to our legal notice which states something like "For additional information concerning the property location, call ______ Regional Office at _________(phone number)".

This change in our advertising procedure should be relatively easy to implement and should satisfy the requirements of Section 60-113, Idaho Code.

The recommended change has been selected since, most of the legal descriptions which appear in the notices prepared by the department do not have a related street address. In addition, most legal notices are prepared from the computer based data which can not readily accommodate the preparation of a legal notice which involves language such as "... which is located 2 miles West of the Mountain Home Air Force gunnery range and 5 miles south of the intersection of Simco Road and Interstate Highway 84".
