WHEREAS, the withdrawals of underground water is approaching the estimated amount of water available and there are a number of valid permits outstanding which have not reported;

NOW, THEREFORE, in compliance with Idaho Code 42-226 to 42-239, the following described area is declared to be a "Critical Ground Water Area."

Beginning at a point on the southerly boundary of the Burley Irrigation District on the line common to Ranges 24 and 25 East; thence South on said range line to the westerly boundary of Marsh Creek drainage; thence southerly on said westerly boundary to Harrison Mountain; thence southerly on the westerly boundary of Raft River drainage to the south line of the State of Idaho; thence east on said south line to a point on the easterly boundary of Raft River drainage; thence northerly along said easterly boundary to the Snake River; thence westerly along Snake River to the easterly line of the Burley Irrigation District; thence southerly and westerly along the boundary of said District to the point of beginning.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the State Department of Reclamation at Boise, Idaho, this 23rd day of July, 1963.

[Signature]

Acting State Reclamation Engineer
