WHEREAS, as a precautionary measure to ensure the continuity of administrative rules following the adjournment of the 2021 Legislative session, the Division of Financial Management acting on behalf of the Governor of Idaho has directed all agencies to adopt all pending fee rules currently before the Legislature as temporary rules; and

WHEREAS, pursuant to Section 67-5226, Idaho Code, the Governor has found temporary adoption of the IWRB’s rules is appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens; and

WHEREAS, the IWRB’s rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws; and

WHEREAS, the expiration of the IWRB’s rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules; and

WHEREAS, the Governor has also found that the fee(s) or charge(s) imposed or increased are justified and necessary to avoid immediate danger to the budget of the Idaho Department of Water Resources, to the state budget, to necessary state functions and services, and to avoid immediate danger of a potential violation of Idaho’s constitutional requirement that it balance its budget;
NOW, THEREFORE BE IT RESOLVED that the IWRB adopts and authorizes the notice and publication of the following fee rules as temporary rules to be effective upon *sine die* of the 2021 session of the Idaho Legislature. This approval and adoption is conditional and will only become effective if the rules previously adopted by the IWRB as pending rules currently before the Idaho Legislature are not otherwise effective upon *sine die* pursuant to Idaho Code sections 67-5291 and 67-5292.
