15683519_8_GP comments on strawman IDAPA 37.01.01 (2021.05.26).DOCX;

Sean,

Thank you for your work on addressing the procedural rules important to parties in front of IDWR.

Attached are comments and proposed revisions to the “strawman” version of IDAPA 37.01.01 you presented.

Unfortunately, because of the short time-frame that we were given to review the “strawman,” we did could not comprehensively revise or comment on it. We would be happy to provide additional feedback.

In any case, please review the attached redline draft and let us know if you have questions.

On behalf of our clients, we reserve the right to challenge any provisions of IDAPA 37.01.01 existing today or in the future.

Thanks,
Mike
